Contact us for information about being listed on our website

We are trying out a new experiment - I'm using Constant Contact to handle our emails. As I may have mentioned, Tom Redfern, a member who has been handling our mail server for years, is retiring and we have been relying upon our webhost and our ISP to do mass mailings, which they are hesitant to do .

As usual, we are chock full of new material, with diminishing places to put them. We are working with the Los Angeles Metaphysical Library, and will be sending some books down there. If you would like to help out, help us decide what to pass on (do we *really need* over 500 books on Buddhism? 30 books by the Dalai Lama?), reply by email or give us a call. If you don't hear back, it's because the message got lost in the clutter, and please call again. We never deliberately ignore our patrons, but we do loose notes and progress reports.

## Reminder - New membership rules

In case you missed it last month, we are offering a new membership price of \$25, which allows you to check out one book at a time. We are also removing the limited circulation books, which are either rare, fragile, or expensive, from general access.

They will be available to members only, including the list of books, itself. We've removed the listing from the online booklist, but will make it available for members.

We are working on developing a system where members can check out expensive books with a deposit that can be returned when the book is returned.

## Tarot Class with Kathy Eckert

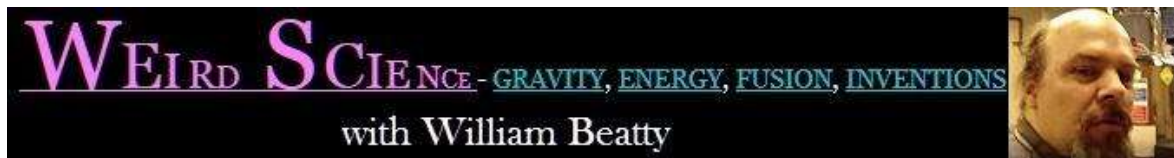

**Saturday, October 6, 10:30 am – 2 pm**

**\$10 – half goes to support the Library**

This time, we'll focus primarily on the roots of modern-day Halloween traditions in ancient Samhain spirituality, of which the Tarot provides a great reflection.

For those of you who haven't been able to join us for awhile, since Samhain energy encourages the renewal of old ties, this would be a great time to come back!

If you want the detail first, email Kathy at [Kathy@SeattlemetaphysicalLibrary.org](mailto:Kathy@SeattlemetaphysicalLibrary.org)

Within, the Cosmic Technological dimension has introduced to our planet a technology called the Light-Photon-Cyclone Technique.

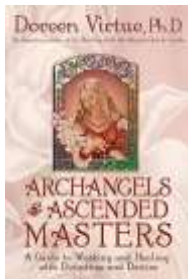

We study to:

- Accelerate evolution,
- Stimulate the operational functions of our brains,
- Take us out of depression,
- Offer Universal Truth,
- Protect and make us stronger, spiritually and physically,
- Stimulate and supervise expansion of awareness and consciousness,
- Receive answers to all questions in our minds.

Come and find out how to study the Knowledge Book!
