## TALKING TAROT: The Symbols Speak

### The Wednesday Night Tarot Group is Back!

The Tarot group has been an incredibly spiritual bonding experience, not to mention just plain fun. Few if any of our classes have required any prior knowledge of the Tarot, but all have required a willingness to explore our own intuition. This series will again approach the Tarot from that viewpoint, learning about it by speaking its own language – that of symbolism.

Hosted by the Seattle Metaphysical Library

**We will meet weekly,  
Wednesdays, 7 – 9 PM**

---

**If you own a Tarot  
deck, please bring it for  
our weekly spread. But  
we always have extra  
decks, so it's not  
necessary to purchase  
one.**

**Contact Kathy Eckert
