## Blueprint for Life: See Your Purpose in Your Hands

Tuesday, Feb 23, 2016, 7 pm

**Free – we will pass the hat for donations to the Library**

Robin will explore how the information contained in your specific fingerprints can offer perspective on current circumstances and relationships to the bigger picture of where the life is heading.

The real transformative power in discovering one's Life Purpose and Life Lesson comes when this information is brought directly into day to day life.

## History Redux

**A Book Club Focused on Ancient Civilizations and Forgotten History**

Monday, March 7, 2016, 7 – 8:30 pm

Free for members, \$5 for non-members.

*Magicians of the Gods: The Forgotten Wisdom of Earth's Lost Civilization* by Graham Hancock (2016)

An advanced civilization that flourished during the Ice Age was destroyed in the global cataclysms between 12,800 and 11,600 years ago.

Survivors - known to later cultures by names such as 'the Sages', 'the Magicians', 'the Shining Ones', and 'the Mystery Teachers of Heaven' - travelled the world in their great ships doing all in their power to keep the spark of civilization burning. They settled at key locations - Gobekli Tepe in Turkey, Baalbek in the Lebanon, Giza in Egypt, ancient Sumer, Mexico, Peru and across the Pacific where a huge pyramid has recently been discovered in Indonesia. Everywhere they went these 'Magicians of the Gods' brought with them the memory of a time when mankind had fallen out of harmony with the universe and paid a heavy price. A memory and a warning to the future...

## Astrology Class With Ray Couture

MARCH 10 – MAY 19 2016

7:00-9:00 PM

\$150 for 10 weeks

This class is 10 weeks covering all of the basic elements of astrology involving studying a mystery chart of a public figure, learning how to read an astrology chart and reading each other's charts.

My astrological practice spans some 45 years and includes learning from Dane Rudhyar, the father of Humanistic Astrology.

I am currently available at East West Books in Seattle every other Tuesday from 6:30 to 8:30pm for \$5, should you want to come by for a chat before you decide about attending this class.

I am currently writing a book on astrology.

This is a small venue, class size will be limited to 10 people.

Reserve your seat with a \$25 deposit otherwise RSVP to [astroray@gmail.com](mailto:astroray@gmail.com) no later than March 3rd 2015. Paypal accepted.

#### **Shadow Masters: Governments and Secret-Service Agencies Working Together with Drugs**

by Daniel Estulin, 2010

Examines the collaboration between governments, intelligence services and drug traffickers lining the pockets of big business and Western banks. The narrative winds between the author's own story of covering "deep politics" and the facts he has uncovered. The ongoing campaign against Victor Bout, the "Merchant of Death," is revealed as "move/countermove" in a game of geopolitics, set against the background of a crumbling Soviet Union, a nascent Russia, bizarre assassinations, wars and smuggling.

## **Secret Medicines from Your Garden: Plants for Healing, Spirituality, and Magic**

by **Ellen Evert Hopman, 2016**

Weaving together ancient wisdom, mystical folklore, and modern plant research, master herbalist Ellen Evert Hopman explores the many uses of flowers, trees, common weeds, and ornamental plants for food, medicine, spiritual growth, and magical rituals. She reveals the herbal lore surrounding each plant, drawing on traditional knowledge and remedies from around the world, including Native American, Celtic, and Egyptian traditions.

## **The Art and Science of Hand Reading: Classical Methods for Self-Discovery through Palmistry**

by **Ellen Goldberg and Dorian Bergen, 2016**

This comprehensive guide, based on 40 years of teaching palmistry and the Western Mystery tradition, presents the character traits and personality archetypes associated with each of the seven mounts of the palm and shows how to determine which are most influential in the nature of the individual. The mount archetypes reveal the lifestyle, love; best career choices; and the unique strengths and weaknesses for each person.
